TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Antrim, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on the Tenth day of March, 1970 at one o'clock in the afternoon to act upon the following subjects:

The Polls will be open at one o'clock in the afternoon and close at seven o'clock in the afternoon.

The Articles in the Warrant will be taken up at seven o'clock in the afternoon.

1. To choose all necessary Town Officers, Agents and Trustees for the ensuing year.

2. To hear the reports of the Auditors on the Town Officers' accounts, and act thereon.

3. To see if the Town will vote to raise and appropriate the sum of seventy nine thousand sixty dollars ($79,060.00) to pay normal operating costs of the Town (as set forth in the Town Budget) or take any other action in relation thereto.

4. To see if the Town will vote to authorize and empower its Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of one thousand thirty nine dollars and forty nine cents ($1,039.49) in order to obtain from the State Highway Department the sum of six thousand nine hundred twenty nine dollars and ninety seven cents ($6,929.97) to be used for Town Road Aid or take any other action in relation thereto.

6. To see if the Town will vote to raise and appropriate the sum of four hundred fifty six dollars ($456.00) to support the Monadnock Region Association. — Monadnock Region Association.

7. To see if the Town will vote to raise and appropriate the sum of three hundred fifty dollars ($350.00) to carry out the recommendations of the Antrim High School Bell Committee, or take any other action in relation thereto. — School Bell Committee.

8. To see if the Town will vote to authorize and empower the Selectmen, on behalf of the Town, to obtain options on land for proposed sites of pumping stations and rights-of-way in accordance with the preliminary plans proposed by Anderson-Nichols Company for the construction of the sewerage treatment and collection facilities for the Town of Antrim, or take any other action in relation thereto. — Sewerage Study Committee

9. To see if the Town will authorize and empower the Selectmen, on behalf of the Town, to enter into such contracts or other agreements as may be necessary for the providing of dump facilities for the Town. And in particular, to authorize the Selectmen to enter into an agreement with the Town of Bennington in accordance with Chapter 53A of New Hampshire Revised Statutes Annotated for the purpose of construction, maintenance and operation of a dump facility, and to raise and appropriate such sums of money as the Selectmen may require for the carrying out of this authorization, or to take any other action in relation thereto. — Antrim Planning Board

10. To see if the Town will vote to raise and appropriate the sum of one thousand one hundred dollars ($1,100.00) to construct an additional rest room at the rear of the Town Hall. This is to be accomplished by dividing the present area, in order to provide facilities for both men and women, or take any other action in relation thereto. — Selectmen

11. To see if the Town will vote to raise and appropriate the sum of six thousand four hundred dollars ($6,400.00) in order to obtain from the Departmen tof Public Works and Highways (State Bridge Aid) the sum of twelve thousand eight hundred dollars ($12,800.00) to be used to construct a new bridge on Route 31 over Great Brook. Two thousand dollars ($2,000.00) to be raised this year, and the balance to be raised by a note of the Town by the Selectmen at such rate of interest as is deemed proper and to be repaid at the rate of two thousand dollars ($2,000.00) plus interest per year in the next two years, or take any other action thereto. — Selectmen

12. To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1,000.00) to establish a Capital Reserve Fund for the purpose of a Bi-centennial Celebration in the year 1977, or take any other action in relation thereto. — Bi-centennial Committee

13. To see if the Town will vote to raise and appropriate the sum of six hundred dollars ($600.00) to repair and clean the Soldier's Monument located at the front of the Baptist Church or take any other action in relation thereto. — Selectmen

14. To see if the Town will vote to increase the salary of the Chairman of Trust Funds to two hundred dollars ($200.00) per annum, or take any other action in relation thereto. — Trustees of Trust Funds

15. To see if the Town will vote to discontinue its practice of having the Chief of Police elected at the annual town meeting, and provide that said Police Chief shall be appointed by the Selectmen in accordance with Chapter 105, Section One of the New Hampshire Revised Statutes Annotated, or take any other action in relation thereto. — The Police Study Committee and Highway Safety Committee

16. To see if the Town will vote to authorize the Selectmen to appoint a Board of three members to be known as the Antrim Park Board. This Board to be responsible for the care and maintenance of the bathing area, tennis court, ball field, and such other areas as fall into the responsibility of Parks and Playgrounds. — Selectmen

17. To see if the Town will vote to continue the Police Study Committee, as established in the 1968 Town Warrant, and to authorize the Moderator to appoint new members as present members may resign, or take any other action in relation thereto. — Selectmen

18. To hear the reports of committees and act thereon.

19. To transact any other business that may legally come before the meeting.

Given under our hands in said Antrim this fourteenth day of February, 1970.

JAMES A. TUTTLE LIBRARY

The trustees of the James A. Tuttle Library report a circulation of 12,298 volumes in 1969. There are now 10,454 books in the library of which 330 were purchased this year. Books borrowed from the State Library total 59 and books borrowed from the bookmobile total 1,068. Our record collection is now available for circulation.

Gifts from the following are greatly acknowledged:

Mrs. Gertrude Meador
Martin Nichols
Mrs. Eleanor Lane
Mrs. Arlene Qualters
Ross Fleming

Highlights of 1969 include:

Six classes from the Elementary School visited the library and were instructed in the use of the library.

Librarian taught a Jr. Girl Scout "Books" badge.

A very successful summer reading program for Grades 2 to 6.

Ten exhibits were held at the library:

Stamps, History, Travel, and Art.

In March book selection committees from neighboring towns met in our library.

The librarian attended 10 classes in Services for adults and young adults at Keene State College.

Special thanks are due all library personnel for their part in making 1969 a very successful year.

Priscilla P. Hurlin
E. H. Ashford
Eleanor Lane

THE ANTRIM PLANNING BOARD

The Antrim Planning Board has held all of its meetings this year with the exception of the July meeting which was canceled.

A "Special Hearing" was held on June 19, 1969 regarding an application for a new sub-division, which was subsequently approved by the Antrim Planning Board and the New Hampshire Water Supply and Pollution Control Commission, for the New Hampshire Flakeboard, Inc., North Branch, Antrim, N. H.

The members of Planning Board, during the summer months, visited various locations with the hope of finding a new location for a town dump, which would be acceptable to everyone concerned. In the interim we received an invitation from the Selectmen and Planning Board of Bennington to meet with them to discuss the possibility and advisability of combining our resources to make this a joint project, which would eventually include a sewerage system. This, it was decided, would be of benefit to both towns.

An extensive study was then made by Mr. Robert Caughey, representing Antrim, and Mrs. Charles A. Lindsay, representing Bennington. A new location, situated about one mile beyond our present dump, in the Town of Bennington, was taken under consideration and has been approved by the State of New Hampshire.

We would recommend that this Planning Board continue this study with the Selectmen of Antrim and Bennington.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p.m.*

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of $200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is $500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of $25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

Forest Fire Warden

Gerald H. Hight
District Chief

TOWN HISTORY COMMITTEE REPORT

The History Committee suffered a set-back when the Chairman was away temporarily and the second Chairman was taken ill. It is hoped that these two members will be able to resume. Chairman Edwards, while active, asked Isabel Nichols to do the history of the school. This will include a history of Antrim High School which goes out of existence in 1971. Two new members were appointed by the Selectmen: Mrs. Arleen White and Miss Alice Thompson. Work continues by individuals.

It is our recommendation that the same committee be continued in office, and the unexpended balance of the 1968 appropriation be retained for the use of the committee.

The History Committee

CONSERVATION COMMISSION REPORT

The rest-room building and parking area projects at Gregg Lake beach were completed as planned. Bids were requested from local contractors for the building and the electrical and plumbing requirements. E. H. Edwards & Son was awarded the contract.

Project funds were provided as follows:

Land and Water Conservation Funds (Federal)	$2,700 00
Antrim Lions Club	1,200 00
Town of Antrim	1,500 00
Total	$5,400 00

This fall some 1200 cu. yds. of solid fill was dredged from the lake to increase the parking area. While some grading was completed before freeze-up, the balance will be done in the spring. Funds for this project were provided by the Goodell Company and Antrim Lions Club. We gratefully acknowledge receipt of these donations and the services and equipment donated by Smith Harriman.

In the ensuing year the Commission will arrange for completion of the parking area grading as well as the necessary maintenance of existing facilities at the beach.

A study is being made of new conservation projects that will best serve the community.

J. Milton Attridge
Richard Edmunds
Wayne Nichols
Horace Patterson

Commissioners
February 2, 1970

BI-CENTENNIAL COMMITTEE REPORT

Two meetings of the Bi-Centennial Committee have been held.

Several very good ideas have been suggested by members of the committee:

1. To have an exhibit of Great Brook industries products.
2. To bring in all phases of Antrim, (sports, culture, history, etc.).
3. To have the program for the 200th anniversary last throughout the year, with a week set aside in the summer.
4. The Antrim coin was discussed at length with David Hurlin appointed chairman of a committee.

It was also suggested the committee investigate the possibility and expense of repairs to the balcony of the Antrim Town Hall and installation of a fire escape for its use safety wise. To be used to better advantage for the celebration.

Respectfully submitted,
Bi-Centennial Committee

ANTRIM HIGH SCHOOL COMMITTEE REPORT

The Antrim High School Committee decided the bell should be permanently mounted on a field stone base with appropriate plaque placed in base and located on the southeast corner of Shay Memorial Field adjacent to the High School.

POLICE STUDY REPORT

To the Inhabitants of the
Town of Antrim, N. H.:

Your Committee which was appointed at the last Town Meeting to study the needs of the town relative to its Police Department under todays conditions, have met frequently during the past year and herewith submit the following as some of the conclusions reached in this regard.

Under past conditions, the election of a part time Police Chief seems to have worked out reasonably well, but with the changes going on in this country, it is deemed advisable to consider changing from the election of a part time Chief to the appointment of a full time Chief responsive to the Board of Selectmen or to a Board of Police Commissioners.

In the past, the use of deputy police officers has been poorly planned and it is the belief of this Committee that a more effective setup could be achieved by conducting regular meetings of the Chief with his deputy officers and by setting up a realistic training program.

Records of police activities in the town on the part of the present Chief and his deputies have not been forthcoming upon request and your Committee feels that this situation must be changed so that the Board of Selectmen and other interested parties can be fully informed.

It is the feeling of this Committee that the Police Department Budget should definitely be increased at this time to adequately provide for a more realistic pay schedule and to cover expenses on the part of the Chief and his deputies. On the basis of our studies it seems the Chief is fortunate if he receives as much as twenty-five cents per hour for his services and this is hardly a desirable condition for the Town to expect from any employee.

We wish to again express our feeling that the Town is fortunate in having the valued assistance available from the State Police. Without it we should feel a lot more concerned with the crime indications in this area. Colonel Regan, Director of the State Police has been very co-operative in supplying the Committee with reports of his departments activities in the Town of Antrim. He also assures us that every attempt is being made to place a trooper in resident in Antrim. When and if this happens, it should bring a feeling of increased security to the inhabitants of the Town.

The School Department should be asked to work out plans in co-operation with the Police Department, setting up traffic controls for the safety of the children on their way to and from school.

More information regarding the use and control of the drug problem should be made available by the Schools and the Police Department, to both children and parents to help fight against this vicious condition that we presently face.

We should consider the use of the so-called Page Boy System, obtainable from the telephone company, for a faster and better means of communications with the police when they are needed.

CONCLUSIONS:

The Board of Selectmen should include an Article in the 1970 Town Meeting Warrant calling for the appointment of a full time Police Chief, such appointment to be effective as of the end of the elective term of the Police Chief elected in March 1970.

Require the Police Chief to maintain effective records for the use of the Board of Selectmen and other persons who may be authorized to have access to them. Require also that the Chief obtain a report annually from the State Police of their activities in the Town of Antrim.

Procure the services from the telephone company of a Page Boy System and put it into use as soon as deemed advisable.

Require regular training sessions set up by the Chief with his deputies as soon as possible.

Contact the School Department as soon as possible to work out plans for traffic and other problems pertaining to the school children.

Your Committee also strongly suggest that this Committee be continued for at least another year with instructions to further study and to bring back specific recommendations for action at the 1971 Annual Town Meeting. A change in the personnel of this Committee might be beneficial in its work.

The Committee wishes at this time to express their appreciation to all those who have helped them in their deliberations during the year.

Police Study Committee

REPORT OF THE SEWERAGE STUDY COMMITTEE

Pursuant to the authorization provided by Article 23 in the 1968 Town Warrant and in view of the action at the 1969 Town Meeting on Articles 8, 9 and 10 in the Town Warrant, application has been made to the Federal Government for funds for final planning and engineering on the sewage collection and treatment facilities for the Town of Antrim. Although changes in Federal regulations threw some doubt on the ultimate availability of this assistance, action on the part of our engineers and Congressman Cleveland resulted in approval of our application in June of 1969. Accordingly, the engineering work has been started on the project and will be completed in the spring or early summer of 1970.

The present planning contemplates that Antrim will construct its own collection facility, but will contract with the Town of Bennington for the treatment of Antrim's sewage to be done at a treatment facility in Bennington, to be operated in conjunction with the Monadnock Paper Mill. Contract arrangements between Antrim and Bennington are under study by respective Town Counsels and the Sewerage Study Committee of both towns, but final details cannot feasibly be worked out until engineering studies and planning have been substantially completed.

It is now expected that it may be possible to bring a firm proposal before the Town Meeting in 1971, before which time hearings will be held relative to the allocation of construction and operating costs, and analysis and discussion of the engineering and planning reports.

Your Committee has included in the Town Warrant, Article 8 relative to easements, rights-of-way or land acquisition for the proposed collection facilities.

Since the current project planning contemplates disposal of sewage treatment plant sludge in a sanitary land fill, which could also preferably serve as a Town Dump, this Committee has cooperated with the Planning Board in their project to secure a new dumping facility for the town.

Respectfully submitted,

Robert A. Caughey
Charles W. Gilmore
Sewerage Study Committee

PRECINCT WARRANT

STATE OF NEW HAMPSHIRE

Hillsborough, ss

To the inhabitants of Antrim Precinct in the town of Antrim, qualified to vote in town affairs:

You are hereby notified to meet in the Town Hall in said Precinct on March Eleventh, 1970 at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the year ensuing.

2. To choose all necessary Officers and Agents for the year ensuing.

3. To hear the report of the Auditors on the Precinct Officers' accounts and act thereon.

4. To hear the report of the Commissioners and Agents and act thereon.

5. To see how much money the Precinct will vote to raise to defray the expenses and existing debts for the ensuing year.

6. To see what percent of the water rates the Precinct will vote to collect for the ensuing year.

7. To see if the Precinct will vote to authorize the Commissioners to borrow such sums as may be necessary in anticipation of taxes.

8. To do any other proper business that may legally come before said meeting.

Given under our hands in said Antrim this Ninth day of February, 1970.

Benjamin Pratt
Carroll M. Johnson
Bernard R. Lamb
Commissioners of the Precinct

PRECINCT COMMISSIONERS REPORT

This has been one of the most expensive years for maintenance we have ever experienced. In January we had a break on Concord St., in May on High St., and the main line, and these expenses added to the cost of weekly inspections of hydrants, and shoveling them out after successive snow storms practically used up our allotment for maintenance. During the summer and fall all of the hydrants were checked, parts replaced when necessary, drain holes plugged on several to prevent ground water flowing back into the barrel, and all hydrants painted in a distinctive color styling which makes them much more visible either day or night. We have had several favorable comments from officials of surrounding towns on George Edwards "new look" for hydrants. One of the original 4 inch hydrants was replaced with a modern 5 inch hydrant and we have included money in the budget to replace a second one this coming year.

The gate house and dike at Gregg Lake are in good shape, although there is need of more fill, not from a practical view, but simply for the esthetic value as there is an unsightly hole between the rocks and the road. The dam is at a point where we must do some work on it, such as renewing the flood gate and patching several cracks. The control gate is a constant source of concern as it has been in service since 1908 and may refuse to operate anytime as the nut and lead screw are badly worn and the last major repairs were made over twenty years ago; hence the item in the budget for dam and gate repair.

Campbell Pond has served us well and aside for some trouble with beavers and an excessive amount of algae requiring extra chlorination, we have had a good supply of excellent water. The only big problem is the old gate house which has been badly shot up by would be hunters and the gate itself will no longer shut tightly. We believe the gate was installed in 1893 and has outlived its usefulness; rather than replacing the gate we propose to install a new valve downstream in a cement vault and raze the old gate house.

We have made a valiant effort this year to reduce the number of delinquents on water rents and were successful about 90% of the time. Water rent seems to be the last on the list of bills to be paid, in spite of the fact that water is our cheapest commodity.

We are looking into the future and predicting that the costs of furnishing water will continue to rise as we will be forced to install water meters very soon and this means at least a part time employee, who would read meters, service the chlorinator, and make regular inspection trips to the pumping station. All this takes money which must come either from water rents or taxes.

We recommend that the Precinct:

1. Collect 90% of the established water rates.
2. Raise the sum of $3,184.57 by taxation.

Respectfully submitted,
Benjamin Pratt
Carroll M. Johnson
Bernard R. Lamb
